Revenue

Operating Profit

20
2019
Earnings by Subsidiary (2/3)

## AMOREPACIFIC Revenue $+4 \%$, Operating Profit $-40 \%$

## Domestic Cosmetics

- (Luxury) Revenue increased through strong sales of travel retail channel, strengthened brand competitiveness by launching new products focused on key categories, expanded experiential marketing of key products and promoted brand stories
- (Premium) Online revenue increased for all brands, ARITAUM revenue continued to decline due to channel reorganization, continued introduction of new innovative products for millennial customers, strengthened brand attractiveness through brand experiential marketing events

## Daily Beauty \& Osulloc

- (Daily Beauty) Increased online channel revenue by strengthening digital marketing in key categories for each brand, Ryo brand revenue increased through solid sales of its key product ('Hair Loss Care Shampoo'), strengthened customer communication through various on/offline events
- (Osulloc) Achieved robust online revenue growth with increased sales of fermented tea, tea bag products and strengthened digital marketing, enhanced 5 global brands and continued channel portfolio diversification
- (North America) Strengthened brandcustomer communication marketing by holding Osulloc tea festival and customer appreciation events
(Domestic Operating Profit) Operating profit declined due to continued investment in marketing

## Overseas

- (Asia) Strengthened brand power of position by enhancing channel portfolio and continuing revenue growth
- (Europe) Revenue decreased due to the base effect of Goutal Paris renewal and dedine in domestic demand, continued marketing activities for Laneige in multi-brand shops and achieved solid sales
- (Overseas Operating Profit) Operating profit dedined due to increased investment in diversifying brands and channels for global growth

## Innisfree Revenue-8\%, Operating Profit -29\%

- Operating profit declined due to decreased revenue in roadshops and changes in revenue mix
- Strengthened contents to enhance customer experience and improved shopping convenience by renewing Gangnam flagship store
- Improved product attractiveness by releasing "Green Barely Peeling Toner’ with Jeju natural ingredients and personalized product 'Personal One Cream’

## Etude Revenue-20\%, Mitigated Losses

- Continued losses due to revenue decline of travel retail channel and roadshops from store reorganization
- Expanded digital customer communication by launching online live commerce
